Please comment on one area that you would like us to get better at to help your child:

- More variety of after school activities
- Consistent setting of homework & spellings (put on website?)
- Boosting confidence, looking at individual strengths
- Communication - letters are not always received
- Information re progress on more regular basis (2)
- Perhaps more small group work
- Lunchtime supervision (though progress has been made) - not treating children 'en-masse'
- Extra lessons on 'struggling' areas
- Disappointed that Y4 boys missed out on Inter-School Football Tournament. Other Rainhill primary schools took part and we feel our child missed out
- Listening to child's individual needs
- Maths support for struggling pupils
- Making sure children not distracted by their classmates during lessons
- Staff turnover
- More inter & intra- school competitive sport
- More play equipment
- Progress on-line presence in respect of homework, school news, fund-raising etc
- Feedback between Parents Evenings re child's engagement & behaviour
- Return to afternoon playtime not brain-breaks - Fun!
- Too much homework - time needed to be children & play
- Send reminder texts earlier (not on the day)

88 people completed this part of the questionnaire

- I prefer the activities but please have them on the first week of term
- Overall better though sometimes balance isn't right - some weeks too much, some too little. Would prefer reading comprehension, short writing tasks for English
- Excellent
- The change suits our child and looks forward to half termly activities
- Would like more maths
- Much better, enjoys doing homework this way
- Definitely an improvement, homework now much less of a trauma
- Children enjoy it but report that not all children complete it which could negatively impact on those that do (i.e. demotivate)
- Slightly too much
- Prefer change but feel a lack of feedback on Y2 tasks.
- Would prefer small pieces of homework regularly rather than termly task
- Half termly task - might be better to give the topic & activity rather than choosing
- Too much homework in relation to spellings & maths
- Would have liked more of the 'SATs' type homework in earlier years than year 6
- Preferred 'old-style' Learning Logs, as did my child. New style homework does not prepare them for high school

Pastoral Support

- Very helpful & understanding staff, always willing to help
- Ok
- Absolutely brilliant - massive support to my child, emotional support as well as in the classroom with work
- Excellent
- Pastoral support has been excellent when my child was upset
- We have always found this to be good
- Support given initially but more needs to be done when following through. Children sometimes feel it is forgotten about
- Good but could do better with a school counsellor (if funds allow)
- Very good when this has been needed
- Very strong

Outside Areas

- Bike Storage (3)

- Very good
- More play equipment
- Wooden structures not child-friendly due to accidents & bad weather
- Plants etc is a fab idea environmentally
- Child states no football to play with
- More shaded areas in summer (2)
- Noughts & Crosses grid painted on playground
- Current provisions are ample
- More variety of equipment/landscape especially for Early Years
- Allow basic equipment for children to play with
- Excellent
- More equipment
- Trampolines
- Designated area for football
- Trim Trail
- Vegetable plots - combine practical with learning
- Maybe something could be done with hill on field - making it more fun
- Play equipment not great - results in lots of accidents
- More flowers to make it more colourful
